RE: Music Stipend Survey results

Attached are the results of the Music Stipend Survey conducted November 2006-February 2007. Thank you to the 65 parishes who returned the surveys!

Contents

Pgs. 1-2: All respondents, parish sizes: 1-499, 500-999, 1000-1499, 1500+

Pgs. 3-4: by Deanery- Eastside, North Seattle, Northern, Olympic, Pierce

Pages 5-6: by Deanery- Snohomish, South King, South Seattle, South Sound, Southern

Things to remember as you review the results:

- The category “All parishes” are the cumulative results from the 65 parishes that responded.
- A hyphen [-] signifies that no responses were received for that type of stipend in that category.
- Different colors are used to make the results more readable, they do not signify anything.
- Parish size is the number of families registered based on the 2006 Catholic Directory

If you have any questions, please feel free to call me at 206.382.4522, or email me at denise.aubuchon@seattlearch.org.

1. A simple service is one where no choir or additional instrumentalists are involved, and liturgical planning and/or rehearsal time does not exceed one-half hour before mass.

2. A choir rehearsal would normally require up to two hours of a musician's time.

3. A special service may involve the hiring of additional music ministers for a single service (Easter Vigil, Christmans, etc.). On these occasions, additional musicians may be needed as instrumentalists, cantor/song leaders, choir directors, ensemble leaders, or principal organists.
